

Supplier Website Menu – 856

856

The 856 button allows the viewing of the ASNs that have already been created and successfully received by Veoneer via the website or EDI. A link is provided for creating new ASNs.

- From the Main Page Menu, enter your supplier id in the 'Supplier ID' field (1) at the top of the screen (do not press <Enter>).

NOTE: The Veoneer ASP Supplier Website will be unavailable each Saturday evening from 11:30 PM (MST) to 12:00 midnight for scheduled maintenance.

- Click the '856' menu button (2).

- You will be taken to the '856 Document Out Basket'. By default, ASNs for All Veoneer Facilities are displayed.
 - You can navigate through the pages using the arrows and page numbers at the bottom of the page.

Select Open RANs to Create Production ASN.

Go to Non-Production In Basket.

Return to Main Navigation Page.

Veoneer Users - View All ASN's

Note: Only ASNs created directly by the supplier will be displayed. If an ASN is created by the Cross Dock on behalf of a supplier, then you would have to search for the ASN using the Cross Dock's address number rather than the supplier's.

- Click on the 'View' link in the Action column to see the details for the ASN.

Plant	Submit Date	Time	Type	EDOC Number	Shipper No.	Tracking Status	Action

- If 'Tracking Status' is 'IT', the product is in transit and detailed scan information is not available.
Note: Typically the Tracking Status will be 'IT'. Other Tracking Status codes and additional tracking details are only displayed/available if the ASN is Scanned In and Out at a Veoneer Cross Dock facility.
